500m²

This contemporary house and land package in popular Mosgiel is a rare opportunity to own a high quality new build

At 161m², the plans for this modern home set on a 500m² section feature a spacious open plan kitchen, dining and living space, three generous bedrooms including a full master suite, family bathroom with separate toilet and internal access double garage with laundry. Much of the interior is customisable, allowing you to create your dream home - the team at Trident Homes have done all the hard work but will work with buyers to ensure the end result is perfect!
